

# HELPING HANDS

**2019-2020**

Dear Parents,

Welcome to the 2019-20 school year. It is a blessing and a privilege to have your covenant children enrolled at MVCS. Along with this privilege, comes the joy and responsibility of being a part of Hurricane's Helping Hands.

The purpose of Helping Hands is to "support and encourage our school, families, students, and staff through prayer and service." By signing the Family Service Hours agreement during enrollment, each parent automatically becomes a member of Helping Hands and is responsible for various tasks throughout the year.

This booklet contains important information about the different Helping Hands projects and events. Committee chairs or the elementary office staff will be able to answer any questions you may have regarding Helping Hands responsibilities.

***Each family is assigned to particular events throughout the year.*** The events go into effect in July 2019 and will be in effect until June 2020. Work groups for the events are listed in this booklet, as well as published on FACTSIS (formerly Renweb). The Wednesday What Nots will also list upcoming Helping Hands responsibilities throughout the school year. Please be sure to check either FACTSIS or your emails for the weekly Wednesday What Nots.

We give God the glory for blessing our school with great families, faculty and staff. Helping Hands allows us the opportunity to build community within the school, as we work with one another to keep Christian Education affordable for all families. We hope you are as excited as we are to work together on all our different projects and events. Together we can serve and honor the Lord, as well as each other.

We hope and pray that being involved with Helping Hands will be a blessing to you. Have fun this year and feel free to call the elementary office if you have questions.

In His Service,  
Trevia Votipka, Sheri Link, Beth Jones  
Helping Hands Coordinators

## HELPING HANDS OVERVIEW and GOALS

MVC has many great community building events that help generate necessary funds. In order to make the events successful and continue to promote the building of community, Helping Hands has been organized to facilitate the completion of these tasks and various events throughout the year.

### GOALS

1. Build community through prayer and work.
2. Support for parents by offering opportunities for social interaction through working events/fundraisers together.
3. Support MVC financially through events and fundraisers.

## SPECIFICATIONS

**Hurricane's Helping Hands is made up of ALL MVC families, Administration, Board Members and teachers working together for the benefit of MVC students and families.** Each MVC family is assigned to help with events through work groups. Work groups change from year to year, in order to allow families to work and experience different events. The new work groups will go into effect July 2019 and will be in effect until June 2020. A work group list is included in this booklet.

Work groups will have Chairs and Co-Chairs, depending on the size of the event. The Chair and Co-Chairs may continue as such for a maximum of 3 years, if they desire. However, the goal is to allow other families the opportunity to experience the planning and executing of different events. Co-Chairs will also rotate from year to year. They will be asked if they feel called to Chair events, but it is not mandatory.

### What are my Helping Hands responsibilities?

1. Find where your name is listed under specific events in this booklet, and note them on your personal calendar
2. August - Attend and/or serve at the Back-to-School BBQ
3. October- Attend and/or serve at the fall soup supper. Many members will be asked to donate ingredients for making the soup, prepare the food as part of a work group and/or help at the event. Please watch the WWN for these assignments.
4. April - Auction - This is our largest fundraiser of the year and **ALL** members are a part of a work group. Please check this booklet for your assignments. This year the date of the auction is April 25.
5. Fulfill your responsibility for the **Work Groups** you are assigned to. If for some reason you are unable to fulfill your assignment **it is your responsibility to find a replacement.** When putting on these events, we depend on **all** of our volunteers in order to make sure that they run smoothly and that they are enjoyed by all who attend. Please help us ensure that this continues - thank you.
6. Sign up to serve for a minimum of one shift in concessions during an athletic event.

Helping Hands Work Groups run from July 2019 - June 2020. Please check the work group list in the back of this book so you know which group you are assigned to.

**\*\*\*If you are unable to fulfill your assignment, it is your responsibility to find a replacement, or to trade with someone in another work group and notify the Chair or Co-Chair of that event about this change. It is your responsibility to make sure either you or someone else is covering the work group you are assigned to.\*\*\***

Once you have arrived to work your event, you will need to sign your name on the sign-in sheet, to verify that you have worked your event.

On the following pages you will see a listing of the work groups for some of the MVC events.

Please find your name and make a note of the Chairperson for your specific events. The Chairperson will be your contact person for further communication, as well as schedule changes.
